

Directions: Complete the French Revolution Pie Chart Timeline as a poster. (Turn a piece of oak tag into a square)

Due Date: To be determined in class.

Note: You may create the entire project by hand or with a computer. You may illustrate everything and write each definition by hand or with a computer.

1 (No credit)	2 (80)	3 (90)	4 (110)
Timeline has major inaccuracies. No visual components. Frequently labeled incorrectly. Major spelling errors. Messy, difficult to read or comprehend.	Timeline has minor inaccuracies. Few visual components and randomly placed. Incorrectly labeled at times. Minor spelling errors. Not the neatest work.	Timeline is accurate and includes visual components placed throughout the outside of the pie chart. Labeled correctly, no spelling errors. Neatly done.	Timeline is fully accurate and the pie chart is labeled correctly. A visual representation and definition has been provided for the vast majority of terms and they are placed in the right order circling the pie chart clockwise. A true visual and textual definition of the French Revolution. *In color.
